### **Chartered Financial Consultant® (ChFC®)**

This designation is issued by The American College and is granted to individuals who have at least three years of full-time business experience within the five years preceding the awarding of the designation. The candidate is required to take seven mandatory courses which include the following disciplines: financial, insurance, retirement and estate planning; income taxation, investments and application of financial planning; as well as two elective courses involving the application of the aforementioned disciplines. Each course has a final proctored exam and once issued, the individual is required to submit 30 hours of continuing education every two years.

### **Certified Investment Management Analyst<sup>SM</sup> (CIMA®)**

The CIMA® certification signifies that an individual has met initial and on-going experience, ethical, education, and examination requirements for investment management consulting, including advanced investment management theory and application. Prerequisites for the CIMA® certification are three years of financial services experience and an acceptable regulatory history. To obtain the CIMA® certification, candidates must pass an online Qualification Examination, successfully complete a one-week classroom education program provided by a Registered Education Provider at an AACSB accredited university business school, and pass a Certification Examination. CIMA® designees are required to adhere to Investments & Wealth Institute's Code of Professional Responsibility, Standards of Practice, and Rules and Guidelines for Use of the Marks. CIMA® designees must report 40 hours of continuing education credits, including two ethics hours, every two years to maintain the certification. The designation is administered through the Investments & Wealth Institute™ formerly known as Investment Management Consultants Association (IMCA®).
